EYEBALL QSO III DEDICATION

In 1979, we dedicated our booklet to WA2LWU - Bill and WA1KKP - Lynne, two of our valued members who must rely on others for travel. Again this year Bill's daughter, June, made it possible for Bill to join us at Bowling Green. Thank you, June.

We wish to dedicate this year's booklet to four of our members. On the left; WA2LWU - Bill with the Century Club's first 2-term elected president, WD4ROD - Keith.

On the right; WA2ZYM - Bill, who for many months did a two man job as secretary, receiving the club's annual service award. With Bill presenting the award, WD4CQY - Tom, who was very instrumental in organizing the Century Club and the incorporation of it in the state of Florida.

EYEBALL QSO III

August 8-10, 1980

Bowling Green, KY

In attendance this year were five of our club officers. I shall limit my remarks to thank everyone who came to Bowling Green and to all who did the hard work and planning to make our get-together a 100% success.

73, Jim Pugh W4PTW Editor

This is my first Eyeball with the 3905 Century Club. Sure was worth the trip to get to see all the faces of the familiar voices. What a great way to meet new and old friends.

73, Di Slabinski WD8IYU 8th Area Director

Thanks to each of you that helped make Eyeball 3 in Bowling Green such a great success. The site selection committee, the activities committee, the site coordinator, and many others worked very hard and did outstanding jobs.

It was a great pleasure to see and visit with so many friends, some for the first time. I only wish many more of you could have been with us.

I am looking forward to Eyeball 4 which I know will be even bigger and better.

73, Ray Grant WA4SGP 4th Area Director & Ed.

Arrived in Bowling Green after a very pleasant drive from northeast Ohio with my very good friend Di (WD8IYU). We made our way to Beech Bend Park to find a sizable group from the club already assembled just past noon on Friday. A great pleasure renewing old acquaintances and meeting new friends from the Century Club. A very nice picnic was enjoyed by all Saturday evening, with the possible exception of the volunteers who did the cooking in 90 plus, plus temperatures. Eyeball III, definitely the "HOT SPOT".....literally. Enjoyed it tremendously, recommend it to all who have never attended.

73, Don Herman KB2DK 2nd Area Director

It is always a pleasure to meet old friends and make new ones. We had a very nice Eyeball and I hope to be able to make more of them. The weather was hot and humid, no doubt about it. Never-the-less, we had alot of fun. I think Eyeball 3 was a complete success and I feel like it will get bigger and better every year and hopefully we'll get a higher percentage of the club members participating.

Thanks to everyone who attended and worked so hard to make it a success.

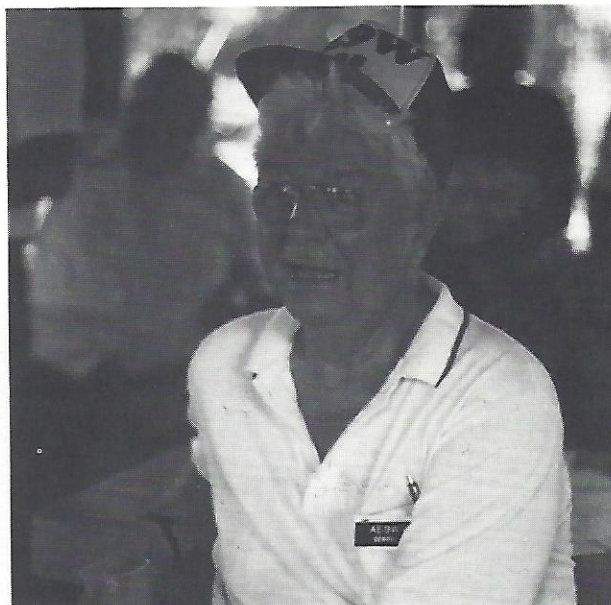

73, Keith Brown WD4ROD President

"Bowling Green THREE" was the best Century Club "Eye-Ball", ever! It was, indeed, great for us to see old friends, again, and make new ones.

At Eyeball 2 we learned that the YLs, XYLs, YMs, and even alot of the OMs loved to play Bingo. We again set up bingo during the net operation on Saturday evening. Beginning with the start of the net, with an abundance of prizes so generously donated by the XYLs, we were able to ignore the heat and humidity and attempt to play the prize table empty. However, at 1:30 AM we still had many prizes left but had to concede to heavy eyelids and hit the hay.

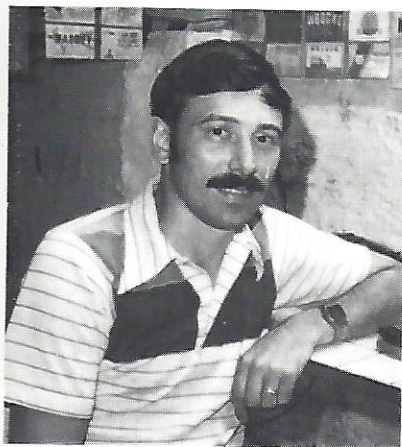

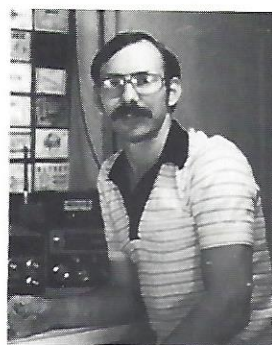

Although there was no rigid schedule at Eyeball 3, we had plenty of time for a business meeting, an abundance of door prizes, a fine picnic, lots of ragchewing, companionship, and plenty relaxing as illustrated by the above picture.

Unfortunately our surprise guest, WB4KCG was unable to attend. He was unable to attend due to his business. We are very sorry he couldn't make it. Any guesses as to his identity?

The fine folks in the pictures on the next two pages were unable to attend but responded to our request for pictures.

August 1, 1980

Dear 3905'rs,

I hope that each and every one of you are enjoying your visit to Beech Bend Park. My good friend, Jim Pugh, and I had talked about my being with you, and I wish that I could be there to chat with all of you hams in person. However, as you are reading this letter, I am on a tour in California.

My call letters are: WB4KCG and I usually talk to all my friends late at night. So, some night when you are up, give me a shout.

Again, I hope that you enjoy your visit to Beech Bend Park, and perhaps I will be able to get with you another time.

My warmest regards,

Ronnie Milsap

RM/sl

We regret very much that our good friend Ronnie could not be with us at Eyeball 3. Only 4 members of the club knew for sure that he was our invited surprise guest. Eyeball 3 would have been an unequaled experience for all had Ronnie been there.

Jim & Ray
